

GAK3 Flexible transparent acrylic lacquer
For protection of strain gauge installations.

Excellent adhesion under all climatic conditions
Fluoresces under UV light as an aid to inspection
Resistant to mould growth
Excellent dielectric properties (45kV/mm)
Wide temperature range -55°C to +130°C
Drying time 10-15 min. Full cure 24 hours
Approved to US MIL-1-46058C
Brush applicator bottle. 15ml

Part no	Price per
GAK3	£8.50

GAK 8 Water based acrylic lacquer.

A non flammable, water based lacquer containing no organic solvents. Abrasion resistant when cured. Solvent resistant. Fluoresces under UV light to aid inspection. Will withstand water immersion after full cure. Temperature range -60°C to +170°C (190°C short term). Brush cap bottle. 15ml Brush cap bottle

Part no	Price per
GAK8	£11.50

GAK6R Rubber coated butyl mastic

Ideally suited for field applications or installations requiring long term water immersion.

Tested in water @ 200 bar for 100hrs

Temperature range:- long term -60°C to +120°C
short term -70°C to +120°C

The butyl rubber cover has is UV stable and has a life span exceeding 30 years. Dimension 2.3mm x 50mm

Part no	Price per
GAK6R-1M	10.50 1M/pk
GAK6R-5M	£50.50 5M/pk

GAK6 Butyl mastic coating

Used primarily as a base layer for GAK6R to form a low profile, water proof installation. Dimension 1.5mm x 50mm. Can be cut to size or joined for larger areas.

Associated product:

Butyl rubber sheet 0.8mm. Sold by the meter. Widths available 60mm, 100mm, 300mm

Part no	Price per
GAK6-1m	£5.50 1m/pk
GAK6-5m	£25.00 5m/pk
GAK6-B-30m	£145.00 30m/pk

GAK 7R White rubber coated butyl mastic.

Ideally suited for field applications or installations requiring long term water immersion.

Tested and used at water pressures exceeding 400 bar cold, and 100 bar at temperatures of 110°C in water and 55/50 water Ethylene glycol mix for 100 hours

Temperature range Long term -60° C to +120°C
Short term -70° C to +120°C

Dimension 3.8mm x 50mm.

Part no	Price per
GAK7R-1m	£12.00 1m/pk
GAK7R-5m	£58.50 5m/pk

GAK 7 White butyl mastic coating.

Used as a base layer for GAK 7R to form a tough waterproof installation. Can be cut to size or joined for larger areas. Dimensions 3.0mm x 50mm

Associated product:

Butyl rubber sheet 0.8mm. Sold by the meter. Widths available 60mm, 100mm, 300mm

Part no	Price per
GAK7-1m	£7.00 1m/pk
GAK7-5m	£33.50 5m/pk
GAK7-B-15m	£98.00 15m/pk

Part no	Price per/m
Butyl rubber sheet-	
0.8mm x 60mm	
0.8mm x 100mm	
08mm x 300mm

GAK1008
MS Polymer adhesive sealant/protective coating.

Forms a tough rubber coating. Can be applied under water.
290ml tubes

Part no	Price per
GAK1008	£13.00 each

GAK1009
High Strength, fast cure adhesive

Duo cartridge. Use with applicator APPG1

Part no	Price per
GAK1009	£21.50 each

GAK1050 High performance coating/ adhesive.

Excellent flexibility. High shear and peel strength.
Outstanding chemical and fluid resistance. Bonds to metals, glass, wood rubber and many plastics
Temperature range -75°C to +150°C
This product has been successfully used for sealing plugs and glands for deep sub sea use. Also in vehicle engines both in the cooling system and crankcase . 50ml duo cartridge

Part no	Price per
GAK1050	£25.00 each

GAK1073

High strength polymer adhesive

Part no	Price per
GAK1073	£18.50 each

GAK1084

High performance coating/adhesive
Flexible quick setting epoxy

Part no	Price per
GAK1084	£25.00 each

GAK1100

Part no	Price per
GAK1100	£16.00 each

GAK 2000

Part no	Price each
GAK2000	£60.00 kit

n.b. Products may vary from the pictures supplied. All Prices - £GBP are exclusive of VAT & carriage.

MGPU-1 Marine grade polyurethane resin.

Low water absorption and high resistance to sea water. High toughness and tear resistance.
Good adhesion to most substrates.

Part no	Price per
MGPU-1 200-250g	£23.00 each

**MGPU-2
PU RESIN PACK.**

Marine grade poly-urethane resin. Slow cure. 400ml cartridge

Part no	Price per
MGPU-2	£23.00 each

APPLICATOR GUNS

APPG1 – application tool for use with duo syringe type GAK10 & GAK1009

APPG2 – application tool for use with GAK1 & GAK2

Part no	Price each
APPG-1	£26.80
APPG-2	£8.00
